

Take Control

Static-X

Hallucinations

I suffer from hallucinations

Ooh

I am mine, I am mine, I'm bleeding
Weighing me down, I'm sinking, I'm sinking
Dilation, soul taking over
Dedication, got me in a coma

I want it, I need it, I gotta let go
I want it, I need it, I gotta let go

Take control
Don't follow me
Take, take, take, take control
Don't follow me down
Let go
Take control
Don't swallow me
Take, take, take, take control
Don't swallow me down
Ooh

I'm snow blind, on the line, I'm tweaking
Shaking me down, I'm sinking, I'm sinking
Dilation, soul taking over
Medication, got me in a coma

I want it, I need it, I gotta let go
I want it, I need it, I gotta let go

Take control
Don't follow me
Take, take, take, take control
Don't follow me down
Let go
Take control
Don't swallow me
Take, take, take, take control
Don't swallow me down
Let go

Hallucinations

Hallucinations

Suffocated, separated, decimated, yeah
Complicated, failing, faded, overrated, yeah
Let go

Take, take, take, take control
Don't follow me
Take, take, take, take control
Don't follow me down
Let go
Take control
Don't swallow me
Take, take, take, take control
Don't swallow me down

Let go

Let go
