

# Z0mbie

Static-X

Sobriety is slipping away  
Thread the needle  
Thread the needle  
My sanity is slipping away  
Thread the needle  
Spread the evil  
For the Psycho  
Psycho  
She's a Psycho  
Psycho  
For the Psycho  
Psycho  
She's a Psycho  
Psycho

Z0mbie, like a z0mbie  
Now she got me  
And I'll never be the same

Z0mbie, like a z0mbie  
Now she got me  
And I'll never be the same

Humanity slipping away  
Thread the needle  
Thread the needle  
My sanity is slipping away  
Thread the needle  
Spread the evil

For the Psycho  
Psycho  
She's a Psycho  
Psycho  
For the Psycho  
Psycho  
She's a Psycho  
Psycho

Z0mbie, like a z0mbie  
Now she got me  
And I'll never be the same  
Z0mbie, like a z0mbie  
Like a bullet through my brain

Z0mbie, like a z0mbie  
Now she got me  
And I'll never be the same  
Z0mbie, like a z0mbie  
Now she got me  
And I'll never be the same

For the Psycho  
Psycho  
She's a Psycho  
Psycho  
For the Psycho

Psycho  
She's a Psycho  
Psycho...
