

# Can't Stop

## Statik Selektah

Statik Selektah

No more powder  
Just the plastic from the bricks  
And we burn every one  
They gone connect us back to this  
With a connect in the wrist  
I turned 36 to bliss  
With the drought I went Melo for the Knicks  
No assist  
No assistance  
Every gram out the pot got cooked Michelin  
They say he a snitch  
I say he got no discipline  
The plug like I only got  
I'm like this is plenty  
He froze up before they hit him  
He said he was going to shoot didn't he  
You ain't really have that chopper Fendi  
Block on fentanyl  
The hood in a frenzy  
Mixed it with the dog food that your friends eat  
Bullets through the Benz jeep  
Get with me  
I got it for the Lohan, the Lindsay  
I spin out like a combo on a locker  
The way we rockin'  
You get shot after the Oscars

Can't stop  
Can't stop  
Can't stop no  
We go on and on  
On and on and on  
On and on and on  
Won't stop  
Won't stop  
Can't Stop  
We go on and on  
On and on and on  
On and on and on

My nigga daddy was a crack addict who never had it  
He like to get high while he load up his automatic  
PTSD from a war he fought, he was drafted  
Abandoned by a system that used him and left him stranded  
He don't value life no more  
He got shot in his pelvis, he can't even fuck his wife no more  
His wife left him for a nigga that sold him white before  
He tryna drill something  
He ain't tryna fight no more  
That's why he loadin' up  
Used to be quick with his hands then liquor got him slowin' up  
Last week he seen old boy in traffic but he froze up  
Said the next time he see him he gon' let his guns bust  
Well look what we have here  
You got a young nigga

Who momma just left his daddy for a drug dealer  
And his daddy strung out on dope that's from a drug dealer  
Who you think he wanna be  
His daddy or the drug dealer?

Can't stop  
Can't stop  
Can't stop no  
We go on and on  
On and on and on  
On and on and on  
On and on and on  
Won't stop  
Won't stop  
Can't Stop  
We go on and on  
On and on and on  
On and on and on
