

## Down Like This

### Statik Selektah

(Whole squad get it down like this)  
(Pharoahe fucking Monch, ain't a damn thang changed)  
(Whole squad get it down like this)  
(Sheek Louch, God)  
(D-Block)  
(Whole squad get it down like this)  
(Blame the, blame the Crooked letter I)  
(Whole squad)  
(You can act stupid if you wanna)  
(Whole squad get it down like this)

Sheek Louch, yo  
Routine shit, wake up, fuck, hit a blunt  
Go outside with my pack, see what these niggas want  
D Eagle, whip is barely street legal  
0 to 60, knocking my nigga Sigel  
Hip hop fanatic, your shit pathetic  
I'm De La, I'm Kane, I'm Ultramagnetic  
Old school and new school, all of y'all can get it  
Liquor hangovers, weed medication  
New York City, L.O.X federation  
Any jail cell, our music is meditation  
You don't want my niggas to act up  
Cause we ain't moving when I say them boys packing up  
I talk shit, but everything I'm backing up  
Big money, every day I'm racking up  
You can blame us for the hard shit  
D Block, box cutters in the yard shit

(Whole squad get it down like this)

(Whole squad get it down like this)

Female dogs plus ignorant individuals  
Equal bitch niggas, their existence is criminal  
I divide fuckboys in half, then live  
Multiplied by the fucks that I don't give  
You don't possess the grammar to step to Pharoahe's parameter  
Trying to take a piece of the pie, or a slice of the ratio  
Of a circle circumference to its diameter  
Police scan a scrambler, damage your man with a blammer  
Feeding Canada, land of the chicks, now get off my dick  
Your whole squad's petty, sounds like shit  
Whole squad get it down like this, work with me though  
The Queens strangler, the rap mangler, danger  
The rapper who raps like he should have been born in Jerusalem inside of a m  
anger  
Four finger ring rock at the kango  
With the headbanger thing hanging out of his pocket, he's not playing  
Your topics are not banging

Nobody rhymes iller than Crooked, I'm Godzilla packing a big gun  
This is capital punishment like a cop killer listening to Big Pun  
I've got the plug on every drug like auxiliary for the street income  
Truly, no lie, my crew be multi  
Excuse me, but I'm usually the dude that the foolies don't try  
Usually the shooter when the uzi roll by, with the goonies  
I put more G's on your neck than a Gucci bow tie nigga  
This is what happens when Statik Selektah  
Get a rap from Hannibal Lecter, the cannibal predator  
How to Kill a Rapper: I'm the manual's editor  
Have to respect him, chew him, shit him out a mechanical rectum  
Yeah, still getting cash till I pass  
Trapped in this industry full of fags and high-class  
Hoes, that wanna sit on my lap for a band  
Cause they heard I'm moving weight like a gastric bypass  
I'mma be fresh as hell if the feds watching  
I'mma be getting the best noggin  
From a freshly dressed bitch at the edge of my bed with her head bobbing, go  
bbling  
Treating her cheaper than lunch in Red Robin  
I'm out-flowing you niggas with quotes, knowing you niggas is jokes, ha  
If I really go in, you niggas'll croak  
Up shit creek, I'm just throwing you niggas a boat  
Rocking dookie chain, showing you niggas the ropes, Crooked  
I can keep going  
(Blame the, blame the Crooked letter I), the streets know it
