

# Mr. Popularity

Statik Selektah

Uh uh, uh uh, it's the Conseq' fool, word  
(Statik Selektah)

Uh, we was up in Pop Burger when Pop got murdered  
And I admit I never thought that it would pop off further  
But when I heard they popped them burners by his grandpa's crib  
I needed answers like a teacher who's givin a pop quiz  
So once we left the station, where hip hop lives  
I went back around the way and popped up at his crib  
And his kids said they just came home from Pop Warner  
And they pops is in the bathroom, soakin in the sauna  
I ran around the corner, to plot his demise  
Cause for crossin the line, pop [\*gunshot\*], pop [\*gunshot\*], goes the nine  
You got to understand my man Pop had a future  
He could've been somebody, they didn't have to shoot ya  
But on the same note, when you try to hit the pop charts  
You better make sure that toaster's on you like a Pop Tart  
Cause it's not smart to be back on the block  
Where they wanna hear your bones snap, crackle and pop

My name is Mr. Popularity, fam' I get it poppin, for real  
("More than a hustler, I'm the definition of it")  
My name is Mr. Popularity, fam' I get it poppin  
("Bitch I'm paid, that's all I got to say")  
My name is Mr. Popularity, fam' I get it poppin  
("No-no-no-no matter what I do, you know I do it to death")  
My name is Mr. Popularity, fam' I get it poppin  
("Because I'm number one, competition is none")

Uh, uh  
The way Pop was married to the game, he might as well have popped the question  
Cause he would pop and make a chain or pop up in a session  
And he was such a headache, that they had to pop Excedrin  
And treat 'em like a pop star or urban legend  
Even heard from his bredren, that he fiend for the spot light  
And the paparazzi that comes with the pop life  
Then at the stop light, he was heard talkin shit  
Like I could show you how to ball or coach pop a bitch  
Of course he got a bitch that he would throw in the drop  
Who was shaped like a bottle that was filled with soda pop  
And when she went to the cops and gave out information  
That's how he wound up in general population  
Now she the combination of bein the most popular  
And most likely to pop at ya, wasn't too popular  
It's like a movie that you watch with popcorn  
That ends right before Pop returned to top form
