Statik Selektah

Yeah, yeah, yeah

Yeah

Statik, uh

NYC the borough, Queens super lean  
Cut the fat, lame niggas get the fuck away from me  
I'm a five borough, keep it thorough, gutter MC  
White ball, puerto rock, black all fuck with me  
Get your brain right, you versus me, we're not the same type  
Money over dumb shit, champagne, give me a light  
Shoot the shit, smoke a spliff with your bwoy  
I don't play that game you be playing with them boys  
I'm a grown-ass man, hit the mag at your liver  
Then smoke a couple bags for the fact you got hit up  
Ride around bumping Kendrick Lamar, the homies  
Looking for a great time, never mind ya'll police-ass niggas

I keep my circle tight like a pinky ring  
Niggas want my life cause I get major bank  
The 3-5 get 'em, sic 'em Fido, bark bark  
No sunshine I put 'em where it's dark  
I keep my circle tight like a pinky ring  
Niggas want my life cause I get major bank  
The 3-5 get 'em, sic 'em Fido, bark bark  
No sunshine, I put 'em where it's dark

Lights out bitches, my Guinness Stout niggas  
Rain on your Budweiser bullshit, my crew get  
Hard like rock wilders, you know my style by now  
Your bitch know she respect my dick  
Young alien told me "P, get these niggas"  
Then Statik threw the beat on, I keep keeping on  
Call me crazy as long as you call me like Fab say  
Brooklyn, Queens, the Bronx, Harlem, matinee  
Early, niggas dozing on Long Isl' niggas  
Staten Isl' niggas force us to pull triggas  
I ain't even really on it like that, until you try me  
Never sleep on a nigga, quiet the irony  
I bang on you so loud I put you with the crickets  
I put you up under the dirt, who is you kidding?  
This is violence in its purest form, catch a body rap  
Baby I will body that, pussy cat  
Scream at your friendly neighborhood bandana P, mami  
I give you extended play, he short you, but not me  
I take you to another realm you ain't never been  
This that private stock that dope like the heroin

I keep my circle tight like a pinky ring  
Niggas want my life cause I get major bank  
The 3-5 get 'em, sic 'em Fido, bark bark  
No sunshine I put 'em where it's dark  
I keep my circle tight like a pinky ring  
Niggas want my life cause I get major bank  
The 3-5 get 'em, sic 'em Fido, bark bark  
No sunshine I put 'em where it's dark
