My advise is, i will tell you know
Open your eyes and don't be blind
Don't lose you face!
You are on the edge
so watch out! so watch out!
Follow the Bimbo Trail and don't lose your way!

Holdin'my steering wheel
Just want to turn off in time!

Make no mistake my friend,
you and I we're not done!
we'll meet again!
Look straight right in my eye,
save your all alibi
for some else!!

Hold it tight!
Just look straight ahead,
on the right side
The right lane, calls you Common'!!
You are on the edge
so watch out! so watch out!
Follow the Bimbo Trail and don't lose your way!

Holdin'my steering wheel
Just want to turn off in time!

Make no mistake my friend,
you and I we're not done!
we'll meet again!
Look straight right in my eye,
save your all alibi
for some else!!
