

We Are

Status Praesents

I feel right here in my veins
Can't stand this anymore
The challenge to show you
I'm not a fuckin' lonely twat!

This is brotherhood and
We don't like the loneliness
We've been together since this time
We will keep the time to the end!

We are, yes we are
United souls 4 hard core!

We are united!

I can say that we don't
Think that you are zero
Not to be alone and
Together we can manage all!

Right now i can show you
There is a solution
United souls 4 hard core
We will keep the time to the end!

We are, yes we are
United souls 4 hard core!
We are, yes we are
Go, go
We are united!
