```
Left a good job in the city, working for the man every night an
d day
And I never lost a minute of sleeping worrying 'bout the way th
ings might have been
Big wheel keep on turning, Proud Mary keep on burning
Rollin', rollin', rollin on the river
Rollin', rollin', rollin on the river
Been a lot of places in Memphis, pumped a lot of pain down in N
ew Orleans
But I never saw the good side of the city 'til I hitched a ride
on the riverboat queen
Big wheel keep on turning, Proud Mary keep on burning
Rollin', rollin', rollin on the river
If you come down to the river, bet you're gonna find some peopl
e who live
You don't have to worry if you don't have no money, people on t
he river are happy to give
Big wheel keep on turning, Proud Mary keep on burning
Rollin', rollin', rollin on the river
Rollin', rollin', rollin on the river
Big wheel keep on turning, Proud Mary she just keeps on burning
Rollin', rollin', rollin on the river
Rollin', rollin', rollin on the river
```

Rollin', rollin', rollin on the river
