

# Rain

Status Quo

How can I see what I'm leaving for  
How can I give what I gave before  
How can you tell me that you want me to stay  
How can I stay when I'm trying to say  
That I can live without the rain  
Yes I can live without the rain

How can I feel what I'm trying to feel  
How can move when I'm heel to heel  
You're always shouting about the doubt in my eye  
But I can't answer 'cos my eyes are so dry  
Now I can live without the rain  
Yes I can live without the rain

I can live without the rain  
That's falling on my head  
Rain that's falling on my head

Rain that's falling  
Rain that's falling  
Rain that's falling on my head

I started thinking back to you know when  
I'd like to send a line but then again  
How can I write you when there ain't no light  
I'm feeling thight tonight and that's alright  
Now I can live without the rain  
Yes I can live without the rain
