Stavesacre

shed this wineskin, de-contain  
break this strain  
this chain of unchange  
"i(we) see clearly now the reign is gone..."

separation-manifest  
six feet of bondage off my chest  
power to resist, power to resist

what if this body  
moved as a whole?  
"let my people" get on the "go!"  
contain the zeal-maintain the flow

plead inner-man to comprehend  
love of the Christ surpassing knowledge  
what is its width, length, height, and depth...?

oh my...passion...  
tell me... if you  
know any meaning  
transcending this birth and death  
(and the point of everything in between?)

justify yourself (this hell)  
i've heard each word that you've said,  
and with all due respect..  
save it

where were you when i was calling  
when i was falling away?(2x)

worldly wisdom mocked-convenient second guess  
get these shackles off-don't want them on again  
you had your foot on my neck-He lifted up my head  
separate, we are separate...  
you have nothing to offer...me
