Run!

Told you not to have more useless expectations
On the outside you look worried, I won't change
Yet again, at times you talk thoughtlessly, it's so pitiful
I can't hear your nonsense, no, oh, yeah
Told you, I am so always B-day
On the outside, you're by my side, but you can't understand
The nosey people are fake, I'm busy
No matter what I do, I can't hear you, no, no, oh

I'll throw the rest away and dig it, your love is so sunny, yeah
Even if I disappear, even if I disappear
Throw it away and dig it, if I just have you then there's no worry, yeah
You know it, it should be you

So I'll run to you
So I'll run to you
Crossing the line over and over
It's okay if I get hurt, I'll run to you
So I'll run to you
A little bit, little bit (Young)
A little bit, little bit (Young)
A little bit, little bit
You know my style
No matter who you are, over and over
It's okay if I get hurt, I'll run to you

JJ!
A type that does not distinguish danger
I never, never do
We could never do wrong
You know, I'm not a poser
If something ever goes wrong, I would never blame you
Wherever you are, I wanna be there

Burn it and dig it, your love is so sunny, yeah
Even if I disappear or disappear
Throw it all away and dig, if only you are there, no worry, yeah
You know, it should be you

So I'll run to you
So I'll run to you

Crossing the line over and over
It's okay if I get hurt, I'll run to you
So I'll run to you
A little bit, little bit (Young)
A little bit, little bit (Young)
A little bit, little bit
You know my style
No matter who you are, over and over
It's okay if I get hurt, I'll run to you

No, no, that's okay, that's okay
No matter what people say
No, it's okay, even if it hurts
It doesn't matter, they can think whatever they want
I can't stop because I love you

So I'll run to you (You; ooh)
So I'll run to you (Whatever, whenever, baby, babe)
Crossing the line over and over (Over)
It's okay if I get hurt, I'll run to you
So I'll run to you
A little bit, little bit (Young)
A little bit, little bit (Young)
A little bit, little bit
