

# Just A Memory

Stealing Eden

So you wanted to be  
You and me again  
Well I don't think that we  
Should be more than friends  
You were never really there for me  
I was falling apart  
I'm never gonna mix fantasy  
With this broken heart

And now it's time to go  
No one likes to be all alone  
You know we'll never be  
You're the reason I'm not trying  
You're the reason I'm not fighting  
You're the reason that I'm moving on  
It can never be

You're the reason it happened to me  
You're the reason that I lost my way  
You're the reason that I'm letting go  
I'm gone  
Just a memory

Sometimes a little heartache  
Is the only way we learn from out mistakes  
You were always looking for a crown  
If you only knew  
How it could all come crashing down  
I guess this jokes on you

And now it's time to go  
No one likes to be all alone  
You know we'll never be  
You're the reason I'm not trying  
You're the reason I'm not fighting  
You're the reason that I'm moving on  
It can never be

You're the reason it happened to me  
You're the reason that I lost my way  
You're the reason that I'm letting go  
I'm gone  
Just a memory

You're the reason I'm not trying  
You're the reason I'm not fighting  
You're the reason that I'm moving on  
It can never be

You're the reason it happened to me  
You're the reason that I lost my way  
You're the reason that I'm letting go  
I'm gone  
I'm gone  
Just a memory  
Just a memory
