

Big Wows

Stealing Sheep

Is this the big, big, big wows?
Is this what it's been about?
Just big wows

"Come on," she said
"It's just a little bit of fun," she said
She just wants the rush no
Oh, she just can't get enough
Sugar sun seems sweet enough to eat
Then you know living in a dream
Things aren't always as they seem
But it's times like these I wish I'd have known

Is, is this what I want?
Is this what I dreamed about?
When I was young, and I was so naive

The big (Wow)
The big (Huh? Wow)
Wow

Changing with the skies
Looking back, you're waving her goodbye
It is just what it is
And that's just how it goes
I got just what I want
And I want just what I got
But it's times like these I wish I'd have known

Yeah, yeah, I want the wow
Yeah, I'm ready for it now
While we're still young, and while we're still naive

The big wow
The big wow

"Come on," she said
"It's just a little bit of fun," she said
Is this what you dreamed about when you were young?
"So come on," she said
"It's just a little bit of fun," she said
You're living in a dream
Things aren't always as they seem
But we're still young, so
Come on, come on, come on, come on
Come on, come on, come on, come on
Come on, come on, come on, come on
Come on, come on...

"Come on," she said
(Come on, come on, come on, come on)
"It's just a little bit of fun," she said
(Come on, come on, come on, come on)
You're living in a dream
Things aren't always as they seem
(Come on, come on, come on, come on)
But we're still young, so
