

## Just Do

## Stealing Sheep

Stuck in the routine  
You're just part machine  
But you don't feel the same  
You know something's gotta change  
The grass is always greener  
Being just a dreamer  
But you don't feel the same  
You know something's gotta change

Voyeur by day  
Voyeur by night  
Watching life  
Voyeur by day  
Voyeur by night  
Watching life

Just get back in line  
Just follow the tide  
But you don't feel the same  
You know something's gotta change  
Just get back in line  
Just follow the tide  
But you don't feel the same  
You know something's gotta change

Sh, ooh-ooh  
Sh, ooh-ooh, ooh-ooh  
Sh, ooh-ooh  
Sh, ooh-ooh, ooh-ooh

Woooooow  
Woooooow  
Woooooow

Don't think, just do  
Don't think, just do  
Don't think, Just do  
It isn't up to you
