

Just Dreaming

Stealing Sheep

There she is, there she is
Don't let her go this time
You try to catch her eye
Just an extra in your play
Another windy day

She turns to you and smiles
But doesn't recognize you
But it's no big deal because you know now
You're not alone now
Even when you see there's no one there
Your patterns lead me still

So what if I'm just dreaming?
So what if I'm just dreaming?

I'll be seeing you
In everything I do
I'll be seeing you

I guess I'll be seeing you
In everything I do
I'll be seeing you
