

# Lets Go!

## Stealing Sheep

Let's go, come on, come on  
Let's go!

Seems like forever, ever  
Time flow goes fast and slow  
It's now or never, ever  
Watch the world go out the window

Dunno why, dunno why, why  
Watch paint dry, watch time fly  
I'm pacing under pressure  
Mood swinging like the weather

Dunno why, dunno why, why  
Watch paint dry, watch time fly  
Close the door, I need to focus  
But I focus on the wrong thing

Please someone tell me something  
Something I need to know  
Where do all the hours and days go?  
Where do they go?

Are you doing something you're not supposed to?  
We would like to spend more time with you  
Stop doing what you're doing now  
Because we got somewhere we should be  
Let's go!

The world stops, waits for me  
TV, hypnotise me  
Second verse, stay in bed  
Take another bath instead

I wait forever, ever  
It's now or never, ever  
Gearing up for a happy ending  
Never comes but (stop) stop pretending

Never gonna happen  
It's never gonna happen  
Never gonna happen  
It's never gonna happen  
Never gonna happen  
It's never gonna happen  
Never gonna happen  
It's never... go!

Seems like forever, ever  
Time flow goes fast and slow  
It's now or never, ever  
Watch the world go out the window

Dunno know why, dunno why, why  
Watch paint dry, watch time fly  
I'm pacing under pressure  
Mood swinging like the weather

Dunno know why, dunno why, why  
Watch paint dry, watch time fly  
Close the doors, I need to focus  
But I focus on the wrong thing

Please someone tell me something  
Something I need to know  
Where do all the hours and days go?  
Where do they go?  
I need to know

Close the door, I need to focus  
Please someone tell me something  
Where do all the hours and days go?  
Where do they go?

Are you doing something you're not supposed to?  
Are you doing something you're not supposed to?  
Are you doing something you're not supposed to?  
Are you do-, are you do-, are you do-, are you do-

Are you doing something you're not supposed to?  
Are you doing something you're not supposed to?  
Are you do-, are you do-, are you do-, are you do-  
Are you do-, are you do-, are you do-, are you do-

Are you doing something you're not supposed to?  
We would like to spend more time with you  
Stop doing what you're doing now  
Because we got somewhere we should be  
Let's go!
