

Sleep

Stealing Sheep

Sleep, sleep, sleep,
Until your troubles go away, away, away,
I'll bring you milk and honey, sweet, sweet, sweet,
I'll make sure you won't go astray, away, away, away.

Release your thoughts and dream of me,
Explore the clam and open fields,
Of opportunities that lie beyond the grasp of your eyes.

Sleep, sleep, sleep,
Until your troubles go away, away, away,
I'll bring you milk and honey, sweet, sweet, sweet,
I'll make sure you won't go astray, away, away, away.

Come on, your dreams will set you free,
And let your spirit wander home,
I'll hold your hand and kiss your cheek,
And you will never be alone.

Oooooooooh,
Oooooohh,
Ooooooh,
Ooooooh.

Come on, your dreams will set you free,
And let your spirit wander home,
I'll hold your hand and kiss your cheek,
And you will never be alone.

Sleep, sleep, sleep (mmmmmmmm)
Sleep, sleep, sleep (mmmmmmmm)
