

Since the Sinh era  
The epoch of the Masters of Ygam  
The Draag civilisation has undergone a remarkable evolution  
Instructed by Draag philosophy and technology  
The Oms now provide the Draags with dynamic vitality  
And a new way of thinking  
Our planet now has two satelllites  
One natural and one artificial  
The natural satellite, the Savage Planet  
Is kept for Draag meditation  
The artificial one was made by the Oms  
They named it Terra  
The Oms live in huge cities on the various Uvas
