

# On Top Of The Universe

Steam Powered Giraffe

I only saw her once  
But that was all I needed  
And now I know she's what  
I've been looking for  
And only she will do

I haven't slept for days  
Can't focus on anything  
She's always on my mind  
And God it'd be so kind  
If you could let me be

For my entire life  
I never knew what love was like  
But now I've felt its touch  
And its far too much  
For me to hold inside

Feels like I'm  
On top of the universe  
On a shootin' star  
Life is so wonderful  
And everything is by far  
(So spectacular)

Feel like I've never felt  
Seen things I've never seen  
Being with her will make me happy  
And I'm falling in love  
(Don't catch him)

Few girls will offer you  
A love that feels like this  
Don't ask for any more  
Just run and go with it

Feels like I'm  
On top of the universe  
On a shootin' star  
Life is so wonderful  
And everything is by far  
(So spectacular)

On top of the universe  
On that shootin star  
Life is so wonderful  
And everything is by far  
So spectacular
