Steam Powered Giraffe

Hatchworth, look up! It's a whale! It's a whale in space! Hatchworth, Hatchworth, look!

Hmm? Huh? Oh, hey, cool. Uh, look, I'm really tired, I don't even know how. But uh, we've got a lot of light years until our destination, so I'm gonna go and try sleeping for the first time. A little shut-eye...

Aw, she's beautiful!

I'm just gonna back out of this...

Oh my gosh, there's a little one. There's a little one, look, a baby! Aw, it's like a whale cub. Oh my... This gives me an idea for a song. Let's see, let's just grab the accordion here...

You're such a whale
You're a big, big whale

No, that's not good...

Whaley in the sky, you are so high

Oh my, oh my. There's a whole flock of them. There, there, there, there's like a dozen, like ten dozen. A whole school of space whales

Well, uh, actually, Rabbit, a group of whales is known as a pod. So they're a pod of whales

Yeah, Spine, Spine, look up! They're right above us, look up!

Yeah, sorry, Rabbit, I'm a little busy right now. I can't take my focus off what I'm currently doing. I'm trying to beat my high score of Super Space Blaster Centi-Asteroid Invaderpedes 2. So yeah, I can't look up. Ugh, come on, come on, level 50...

Golly

You can do this!

You guys sure, sure are a majestic bunch, aren't ya?

Oh, I'm out of lives, w-w-wait, I just got another one, ah ha ha!

So beautiful

I'm gonna do it, I'm gonna do it, wait, wait, wait, hold on!
