

## Rely on Rock

Steeler

Are you hungry for action, lookin' for ups  
Do they all try to put you down?  
Do you wanna escape... the nine to five stuff  
Totally out of bounds

Torn down - walkin' alone... and backed against the wall  
All alone - but ready to fight... two-fisted... before you fall

[Chorus 1:]  
Then turn it up (feel it comin')  
Turn it loud (feel it comin')  
Slavin' day to day (feel it comin')  
Blow the night away

[Chorus 2:]  
Thirst for action  
Rely on rock  
Satisfaction  
Rely on rock

You wanna run from the day taken too far away  
Livin' your life in a dream  
Show no mercy, crack up the sound  
And make the speakers steam

[Chorus 1 and 2]  
[Chorus 2:]

Ow!

Alright!  
That does it!

[Chorus 2:]

Thirst for action  
Rely on rock  
Satisfaction

[Chorus 2:]
