

Bright Morning Star

Steeleye Span

Bright morning star a-rising
Bright morning star a-rising
Bright morning star a-rising
Day is a-breaking in my soul

It is shining on the shepherds
It is shining on the shepherds
It is shining on the shepherds
Day is a-breaking in my soul

Come see the wise men traveling
Come see the wise men traveling
Come see the wise men traveling
Day is a-breaking in my soul

And hear the angels singing
And hear the angels singing
And hear the angels singing
Day is a-breaking in my soul

Bright morning star a-rising
Bright morning star a-rising
Bright morning star a-rising
Day is a-breaking in my soul
