

Rave On

Steeleye Span

well, well, well
the little things that you say and do
make me want to be with you
rave on, crazy feeling
well i know, it's got me reeling
i'm so glad youre revealing your love for me
rave on, rave on and tell me
tell me not to feel lonely
tell me you love me only
rave on to me

well, well, well
the little things that you say and do
make me want to be with you
rave on, crazy feeling
well i know, it's got me reeling
i'm so glad youre revealing your love for me
rave on, rave on and tell me
tell me not to feel lonely
tell me you love me only
rave on to me

well, well, well
the little things that you say and do
make me want to be with you
rave on, crazy feeling
well i know, it's got me reeling
i'm so glad youre revealing your love for me
rave on, rave on and tell me
tell me not to feel lonely
tell me you love me only
rave on to me

rave on to me
rave on to me
rave on to me. (to fade)
