

To Know Him Is to Love Him

Steeleye Span

To know know know him
Is to love love love him
Just to see him smile
Makes my life worthwhile

To know know know him
Is to love love love him
And I do and I do and I do

I'll be good to him
I'll bring love to him
Everyone says there will come a day
When I'll walk alongside of him

To know know know him
Is to love love love him
And I do and I do and I do

Why can't he see me
How blind can he be?
Someday he'll see
Then he was meant for me

To know know know him
Is to love love love him
Just to see him smile
Makes my life worthwhile

To know know know him
Is to love love love him
And I do and I do and I do
