

Twinkle, Twinkle Little Star

Steeleye Span

Twinkle, twinkle little star
How I wonder what you are
Up above the world so high
Like a diamond in the sky

Star light, star bright
The first star I see tonight
I wish I may, I wish I might
Have the wish I wish tonight

Twinkle, twinkle little star
How I wonder what you are
I have so many wishes to make
But most of all is what I state

So just wonder that I've been dreaming of
I wish that I can have owe her enough
I wish I may, I wish I might
Have the dream I dream tonight

Ooh baby

Twinkle, twinkle little star
How I wonder what you are
I want a girl who'll be all mine
And wants to say that I'm her guy

Someone's sweet that's for sure
I want to be the one she's looking for
I wish I may, I wish I might
Have the girl I wish tonight

Ooh baby

Twinkle, twinkle little star
How I wonder what you are
Up above the world so high
Like a diamond in the sky

Star light, star bright
The first star I see tonight
I wish I may, I wish I might
Have the wish I wish tonight
