

## Rock 'N Roll (I Just Wanna)

Steelheart

I don't wanna go to school, read and learn the golden rule  
I don't wanna work all day, break my back for a little pay  
I don't like doing what I'm told, I just want to rock & roll

Rock & roll

They say my life is just a game, living for a dream of fortune  
and fame

But all's fair in love and war, try to lock me up 'n I'll knock  
down your door

My heart can't be bought or sold, I just want to rock & roll, y  
eah yeah

Rock & roll, (I just wanna) rock & roll  
(no no no no, I just wanna) rock & roll

(Solo)

Rock & Roll

I don't want a miracle pill, that's not the way I get my thrill  
I don't want to go to Hell, but I know only time will tell  
Hang me from the gallows pole, I just want to rock & roll, yeah  
yeah

Rock & roll, rock & roll, rock & roll, rock & roll  
Rock & roll, (I just wanna) rock & roll, no, no, rock & roll, y  
eah yeah

I just wanna rock
