

# Midnite Cruiser

Steely Dan

Felonius my old friend  
Step on in and let me shake your hand  
So glad that you're here again  
For one more time  
Let your madness run with mine  
Streets still unseen we'll find somehow  
No time is better than now

Tell me where are driving  
Midnite cruiser  
Where is your bounty  
Of fortune and fame  
I am another  
Gentleman loser  
Drive me to Harlen  
Or somewhere the same

The world that we used to know  
People tell me it don't turn no more  
The places we used to go  
Familiar faces that aint smilin'  
Like before  
The time of our time has come and gone  
I fear we've been waitin' too long

Tell me where are driving  
Midnite cruiser  
Where is your bounty  
Of fortune and fame  
I am another  
Gentleman loser  
Drive me to Harlen  
Or somewhere the same

Tell me where are driving  
Midnite cruiser  
Where is your bounty  
Of fortune and fame  
I am another  
Gentleman loser  
Drive me to Harlen  
Or somewhere the same
