Better Than Nothing

Stefanie Heinzmann

It's a tough love, but you know what
It's worth what you put in
It's a rough cut feelin' undone
Hurts but it happens
All that I want is to feel like
I am enough in my own mind
It's a tough love, but you know what

Somethin' is better than nothin'
So much better than nothin'
So even when you're down and it all feels like it's wrong
Keepin' your head up 'cause it's so much better than nothin'
Somethin's better than nothin'
So even when you're down and it all feels like it's wrong
Keeping your head up 'cause it's so much better than nothin'

It's a heart break, every mistake
Shapes how you're livin'
So I'll risk it for my own sake
Take what I'm given
All that I need is within me
It's a call to just be who I should be
It's a heartbreak, but I'm okay

'Cause somethin' is better than nothin'
So much better than nothin'
So even when you're down and it all feels like it's wrong
Keepin' your head up 'cause it's so much better than nothin'
Somethin's better than nothin'
So even when you're down and it all feels like it's wrong
Keeping your head up 'cause it's so much better than nothin'

Talkin' to myself, takin' to myself, yeah
Gotta be myself, gotta be myself, yeah
Talkin' to myself, takin' to myself, yeah
Gotta be myself, gotta be myself, yeah

Somethin' is better than nothin' (Mh, yeah, nothin')
Somethin's better than nothin' (Better than nothin', yeah)
Somethin's better than nothin'

Somethin' is better than nothin'
Somethin' is better than nothin'
So even when you're down and it all feels like it's wrong
Keepin' your head up 'cause it's so much better than nothin'
(Talkin' to myself, takin' to myself, yeah)
(Gotta be myself, gotta be myself, yeah)
So much better than nothin'
(Talkin' to myself, takin' to myself, yeah)
(Gotta be myself, gotta be myself, yeah)
So much better than nothin'
(Talkin' to myself, takin' to myself, yeah)
(Gotta be myself, gotta be myself, yeah)
(Better than nothin', yeah)
(Talkin' to myself, takin' to myself, yeah)
(Gotta be myself, gotta be myself, yeah)
'Cause it's so much better than nothin'
