

Face the Music

Stefanie Heinzmann

What are you afraid of
When you lie awake at night?
Yeah, you find out what you're made of
In the mornin' light
Yeah, there's always trouble comin'
We're just tryin' to stay alive
If you reach right out and touch it
It will be alright (Alright, alright)

Didn't know I could dance 'til the music started
That was never the plan

'Cause I didn't know I could dance like this
(Like this, like this)
I didn't know I could dance like this
(Like this, like this)
I will trust my body, my hands, my feet
Let 'em carry me
I didn't know I could dance like this
(Like this, like this)

Baby now we're on the dancefloor
Singing "I will survive"
Now there's nothing you can't handle
Tell those bad, bad times Goodbye
You've seen some crazy situations
Maybe you'll always wonder why
But you're moving with the changes
Everything will be alright, yeah

Didn't know I could dance

'Cause I didn't know I could dance like this
(Like this, like this)
I didn't know I could dance like this
(Like this, like this, like this)
I will trust my body, my hands, my feet
Let 'em carry me
I didn't know I could dance like this
(Like this, like this)

Now I can dance
Face the music
Face the music
Face the music (Like this)
Now I can dance
Face the music
Face the music
Face the music (Like this)

'Cause I didn't know I could dance like this
(Like this, like this)
I didn't know I could dance like this
I will trust my body, my hands, my feet
Let 'em carry me
I didn't know I could dance like this
(Like this, like this, like this, like this)

(Like this, like this, like this)
(Like this, like this, like this)
