In The End

Stefanie Heinzmann

I could be wrong
But I know I'm right

I saw the sign
I saw the sign

Straight into the fire
Out of the flame

Into the light
Into the light

And I know love ain't a thing you can count on
To last too long

But there is a force, and it keeps me pushing
Just pushing on

Say what you want
I can't go back
I need to hear the truth

Well I don't care what they do
But in the end it's just me and you

They can shout until they're blue
But in the end it'll be me and you

Me and you
Me and you

In the end it's just me and you

You got me wrong
But it feels so right

And I'm afraid
That I'm gonna stay

You tried to burn me
Like a fire

But I'm a flame
Yeah I'm a flame

And I know love ain't a thing you can count on
To last too long

But there is a force, and it keeps me pushing
Just pushing on

Say what you want
I can't go back
I need to hear the truth

Well I don't care what they do
But in the end it's just me and you

They can shout until they're blue
But in the end it'll be me and you

Me and you
Me and you

In the end it's just me and you

Round and round and round we go
Knowing in the end we will never know
