Labyrinth

Stefanie Heinzmann

Hey

Don't you know that you've been pushing too hard?
And the anchor has been cut from your heart
Don't you know that you've gone three steps too far?
Caught up in the spiderweb of strings inside your mind
Don't you know that you control how you feel?
Everything around us is so surreal
Every thought is just like spinning the wheel
Caught up in the spiderweb of strings inside your mind

All you gotta do is let it go, let it go

Get out your labyrinth
If you wanna see the light
Get out your labyrinth
All you gotta do is try
'Cause you just got to cut the chords that captivate your mind
Get out your labyrinth
If you wanna see the light
(Oh-oh-oh-oh, oh-oh-oh)
All you gotta do is try
(Oh-oh-oh-oh, oh-oh-oh)
If you wanna see the light (Ooh-ooh)
All you gotta do is try
(Oh-oh-oh-oh, oh-oh-oh)

I've been practicing my patience on you
I've been trying to get you out of the blue
Dropping everything you say and you do
I was caught up in the spiderweb of strings inside your mind

Take a step back, I know it'll be okay, it'll be okay

Get out your labyrinth
If you wanna see the light
Get out your labyrinth
All you gotta do is try
'Cause you just got to cut the chords that captivate your mind
Get out your labyrinth
If you wanna see the light
(Oh-oh-oh-oh, oh-oh-oh)
All you gotta do is try
(Oh-oh-oh-oh, oh-oh-oh)
If you wanna see the light (Ooh-ooh)
All you gotta do is try
(Oh-oh-oh-oh, oh-oh-oh)

If you don't like what you see
Cut the circuit to be free
If you don't like what you see
Cut the circuit to be free
'Cause thoughts are like circuits to the stars, ah-ah

Get out your labyrinth
If you wanna see the light
Get out your labyrinth

All you gotta do is try
'Cause you just got to cut the chords that captivate your mind
Get out your labyrinth
If you wanna see the light
(Oh-oh-oh-oh, oh-oh-oh)
All you gotta do is try
(Oh-oh-oh-oh, oh-oh-oh)
If you wanna see the light (Ooh-ooh)
All you gotta do is try
(Oh-oh-oh-oh, oh-oh-oh)

All you gotta do is try
'Cause you just got to cut the chords that captivate your mind
Get out your labyrinth
If you wanna see the light
(Oh-oh-oh-oh, oh-oh-oh)
