

# Little Too Long

Stefanie Heinzmann

I sit alone, in an empty room  
And all that I can think about is you  
I watch the clock, it's ten 'round twice  
I hope that next time I won't be so nice  
No I never miss a beat, never miss a beat  
When I'm with you

I know where you go when I can't sleep  
I can't think, waiting for love  
But you make me wait a little too long

I made my choice, my tears have dried  
And not to cold you're pictures down last night  
I don't blame you for being manchu  
You want only a thing if we are two  
No I never miss a beat, never miss a beat  
When I'm with you

I know where you go when I can't sleep

I can't think, waiting for love  
But you make me wait a little too long  
I know where you go when I can't sleep  
I can't think, waiting for love  
But you make me wait a little too long

Is there anybody out there, anybody out there, anybody there fo  
r me?  
Is there anybody out there, anybody out there, anybody there fo  
r me?

I know where you go when I can't sleep  
I can't think, waiting for love  
But you make me wait a little too long  
I know where you go when I can't sleep  
I can't think, waiting for love  
But you make me wait a little too long
