

No Substitute

Stefanie Heinzmann

need you, loving me
Call me selfish, call me what you please
I don't care how it seems
You know I'm never one for subtleties
Your love is crazy
Oh the doctor said beware
Oh I'm the fool that goes in blind without a care
Said I,
Won't,
Find no substitute,
To loving you,
Loving you.
Cause there's,
No,
Way I could refuse,
Loving you,
Loving you,
Loving you.

Better days, unashamed
To cheat my way inside your heart again
Helplessly, so in need
Far removed from where I want to be

My love is lazy
Oh it seems so unaware
That I'm the fool that rushes in without a care
Said I,
Won't,
Find no substitute,
To loving you,
Loving you.
Cause there's,
No,
Way I could refuse,
Loving you,
Loving you,
Loving you.

Your love is crazy
Oh the doctor said beware
Oh I'm the fool that goes in blind without a care

Said I,
Won't,
Find no substitute,
To loving you,
Loving you,
Loving you.
Cause there's,
No,
Way I could refuse,
Loving you,
Loving you,
Loving you.
Said I,
Won't,

Find no substitute,
To loving you,
Loving you,
Loving you.
Cause there's,
No,
Way I could refuse,
Loving you,
Loving you,
Loving you.
