

# Not Giving It Up

Stefanie Heinzmann

Hello, it's me again  
Sorry, I took so long  
You know, this feels good  
Might aswell let go  
Givin' it up now, I'm leavin'  
I never felt so alive  
There's no stoppin' now  
Here we go, hello, whoo

Not giving up (I'm ready)  
Can't get enough (No way)  
'Cause it's time to show how (We do this)  
We do this, yes (That's how we do)

Let's give it up, hey! I'm gonna make it happen (Not giving it up, hey)  
I'm gonna get my [?] (Not giving it up, hey)  
And noone ever stop me (Not giving it up, hey)  
I'm not giving up, oh, oh, no

Giving it up, yeah, I'm living  
Noone ever feels so alive

I know, I've been here  
It's time it feels like home  
I'm good in my skin  
And in my heart, I know, I know  
'Cause I'm giving it all now, I'm living  
I never felt so alive  
I'm not stopping now, yeah  
Here we go, whoo

Not giving up (I'm ready)  
Can't get enough (No way)  
'Cause it's time to show how (We do this)  
We do this, yes (That's how we do, Not giving it up, hey)

I'm gonna make it happen (Not giving it up, hey)  
I'm gonna get my [?] (Not giving it up, hey)  
And noone would ever stop me (Not giving it up, hey)  
I'm not giving up, oh, oh, no

Giving it up, yeah, I'm living  
Noone ever feels so alive (Hey, giving it up, hey)  
An noone ever stop me (Not giving it up, hey)  
I'm not giving up, oh, oh

Sometime life can be so unknown  
Whatever you do keep on going  
No matter how low you might feel  
Don't stop, no, never give up  
No, never give up, no, never give up

Not giving up (I'm ready)  
Can't get enough (No way)  
'Cause it's time to show how (We do this)  
That's how we do (Not giving it up, hey)

I'm gonna make it happen (Not giving it up, hey)  
I'm gonna get my [?] (Not giving it up, hey)  
And noone would ever stop me (Not giving it up, hey)  
I'm not giving up, oh, oh, no

Giving it up, yeah, I'm living  
Noone ever feels so alive (Hey, giving it up, hey)  
An noone ever stop me (Not giving it up, hey)  
I'm not giving up, oh, oh, oh
