

On Fire

Stefanie Heinzmann

Let it go, let it go, let it go, let it go

All my life building walls
Day and night I was on my own
Stayed alive sang my song
And all the while I was all alone
Try to do right gotta be strong
And I thought I knew
Baby, now you've come along

My heart is on fire it burns in a cage
Now all of my walls are falling in on me
And love is wire so easily swayed
I'm maybe a fool yea but I'm not afraid no
My heart is on fire, fire, fire
My heart is on fire, fire, fire

I can tell in your eyes
You want me and you think I'm the one
When you fell did you realize
Just one look and I'll come undone
Try to do right gotta be strong
And I thought I knew
Baby, now you've come along

My heart is on fire, it burns in a cage
Now all of my walls are falling in on me
And love is wire, so easily swayed
I'm maybe a fool yea but I'm not afraid no
My heart is on fire, fire, fire
My heart is on fire, fire, fire

Let go, let it go, let go, let it go

Get it right let go
Day and night, you know
Ain't about control

My heart is on fire, it burns in a cage
Now all of my walls are falling in on me
And love is wire, so easily swayed
I'm maybe a fool yea but I'm not afraid no
My heart is on fire, fire, fire
My heart is on fire, fire, fire
My heart is on fire, fire, fire
My heart is on fire, fire, fire
