

# Unbreakable

Stefanie Heinzmann

I've seen a couple of things in my life  
but ain't nothing gonna beat  
the things I've seen in you

Sometimes I feel I wanna keel over and die  
but you never fail to pull me right on through  
Not one lie has ever left your lips or mine  
so I know I can trust you in my life

Now it's official  
We managed to make it through  
We're unbreakable  
We don't miss a beat, no  
We're singing in perfect tune  
We're unbreakable  
I'm holding on tightly  
You're holding on to me, too  
Simply unbreakable  
With nothing to prove  
how can we lose cause I'm in love with you

You've done a lot of things in your time  
but ain't nothing gonna beat  
the things that we're gonna do  
Not one lie has ever left your lips or mine  
so I know I can trust you in my life

Now it's official  
We managed to make it through  
We're unbreakable  
We don't miss a beat, no  
We're singing in perfect tune  
We're unbreakable  
I'm holding on tightly  
You're holding on to me, too  
Simply unbreakable  
With nothing to prove  
How can we lose cause I'm in love with you  
We're unbreakable

Not one lie has ever left your lips or mine  
so I know I can trust you in my life

Now it's official  
We managed to make it through  
We're unbreakable  
We don't miss a beat, no  
We're singing in perfect tune  
We're unbreakable  
I'm holding on tightly  
You're holding on to me, too  
Simply unbreakable  
With nothing to prove  
how can we lose cause I'm in love with you  
We're unbreakable
