

Waterfall

Stefanie Heinzmann

Come on cry with me
Come fight in me
I'll give it honesty
But leaving me
It's hard to lose what we're used to
Change yourself but it will be worth it

If you wanna walk under the waterfall
If you want it all
You gotta learn how to swim
If you wanna feel the force of the waterfall
You gotta close your eyes and jump right in
(Oh-oh-oh-oh-oh)
(Oh-oh-oh-oh-oh)
(Oh-oh-oh come under the waterfall)

You are the only one that's going under
We drawn ourselves in endless wonder
We're running scared but at least we're running
It's in the air, change is coming

If you wanna walk under the waterfall
If you want it all
You gotta learn how to swim
If you wanna feel the force of the waterfall
You gotta close your eyes and jump right in
(Oh-oh-oh-oh-oh)
(Oh-oh-oh-oh-oh)
(Oh-oh-oh come under the waterfall)

Come under the waterfall
Come under the waterfall
Come under the waterfall
Come under the waterfall

I never thought I get to see
Something so beautiful
Every tear leads to a stream
To the sea
And to the ocean
Didn't know I had in me
Something so powerful
What I have you gave to me
I give to you if you are open

If you wanna walk under the waterfall
If you want it all
You gotta learn how to swim

If you wanna walk under the waterfall
If you want it all
You gotta learn how to swim
If you wanna feel the force of the waterfall
You gotta close your eyes and jump right in
(Oh-oh-oh-oh-oh)
(Oh-oh-oh-oh-oh)
(Oh-oh-oh come under come under)

(Oh-oh-oh-oh-oh)

(Oh-oh-oh-oh-oh)

(Oh-oh-oh come under come under the waterfall)
