

What I Do

Stefanie Heinzmann

Every day it's the same feeling like [?] on repeat, every while
'Cause I run, and I run and I feel like going nowhere stuck in
my ways all the time
It's all about the first step from there on there's no way back
[?]
My [?] days are over the change will come from nowhere it's time
I realize

It's all about what I do, what I do, what I do
Nobody else can make that change (make that change)
It's all about what I choose, if I win or I lose
It's nobody but myself to blame (myself to blame)
This life is what I make it
If I don't make it I can change it
There's no one who can play that part for me
It's all about what I do, what I do, what I do

Here I go and there's no need to rush
Step by step I'll do what it takes to move on
And I know no, no, nobody said "It's easy"
But I know that it's worth holding on

Just me and my reflection we are because an action a reason to
feel [?]
My victim days are over but change will come from nowhere it's
time for me to realize

It's all about what I do, what I do, what I do
Nobody else can make that change (make that change)
It's all about what I choose, if I win or I lose
It's nobody but myself to blame (myself to blame)
This life is what I make it
If I don't make it I can change it
There's no one who can play that part for me
It's all about what I do, what I do, what I do

Oh, oh, oh, it's all about what I
Oh, oh, oh, (it's all about what I)
Oh, oh, oh, it's all about what I do
What I do, what I do, what I do

Nobody else can make that change
It's all about what I choose, if I win or I lose
It's nobody but myself to blame (nobody but myself to blame)
This life is what I make it (what I make it)
If I don't make it I can change it (oh yeah)
There's no one who can play that part for me (play that part for
me)

It's all about what I do, what I do, what I do
