

## Center Of All History

Steffany Gretzinger

The center of all history  
Your cross and resurrection  
Humiliation lifted me  
Into a new creation  
I am a new creation

My life now yielded to my King  
My will to Him surrendered  
I'm broken, open at Your feet  
Your presence is the treasure  
It's You I alone treasure

Holy  
Worthy  
You have no end  
Holy  
Worthy  
We sing, "Amen, amen"

Let every knee on earth bend low  
And join the host of heaven  
To Him who sits upon the throne  
Give praise and adoration  
The gates of hell are overthrown  
The yoke of slavery shattered  
For Christ our King, He reigns alone  
Now and forever after  
Now and forever after

Holy  
Worthy  
You have no end  
Holy  
Worthy  
We sing, "Amen"  
Holy  
Worthy  
You have no end  
Holy  
Worthy  
We sing, "Amen, amen"

The center of all history  
Your cross and resurrection
