

Letting Go

Steffany Gretzinger

You've brought me to the end of myself
And this has been the longest road
Just when my hallelujah was tired
You gave me a new song

Now I'm letting go, I'm letting go
I'm letting go, falling into You

I confess I still get scared sometimes
But perfect Love comes rushing in
And all the lies that screamed inside go silent
The moment You begin

Now I'm letting go, I'm letting go
I'm letting go, falling into You

Now I'm letting go, I'm letting go
I'm letting go, falling into You

And You remind me of things forgotten
You unwind me until I'm totally undone
And with Your arms around me
Fear was no match for Your love
Now You've won me

And You remind me of things forgotten
You unwind me until I'm totally undone (undone)
And with Your arms around me (around me)
Fear was no match for Your love
And now You've won me

And if I lived a thousand lifetimes
And wrote a song for every day
Still there would be no way to say
How You have loved me

If I lived a thousand lifetimes
And wrote a song for every day
Still there would be no way to say
How You have loved me
Oh, how You love me
Oh, how You love me
