

## No Fear In Love

Steffany Gretzinger

Stir in me a love that's deep  
A love that's wide, a love that's sweet  
And help me, Lord, to never keep it to myself  
And if my heart should dimly burn  
And if my feet should fail to run  
Call my name and I will come right back to You

'Cause there's no fear in love  
And there's no fear in love

So stir in me a love that's deep  
A love that's wide, a love that's sweet  
And help me, Lord, to never keep it to myself  
And if my heart should dimly burn  
And if my feet should fail to run  
Call my name and I will come right back to You

'Cause there's no fear in love  
There's no fear in love

And there's no fear in love  
And there's no fear in love

I wanna stay close to You  
It's really that simple  
I wanna stay close to You  
Just as simple as this song  
I wanna stay close to You  
It's really that simple  
I wanna stay close to You  
My whole life long
