

# Remember

**Steffany Gretzinger**

You broke the bread and blessed the cup  
You served a sacrifice of love  
Holy, holy, holy, I wanna see Your glory  
Of all that You are and all that You've done

Jesus the Lamb of God, oh what a Savior  
You took the altar and made it a table  
Nothing can separate what You bring together  
Now and forever, I will remember

How beautiful a mystery  
Christ my hope, alive in me  
Worthy, worthy, worthy, I'm caught up in the glory  
Of all that You are and all that You've done

Jesus the Lamb of God, oh what a Savior  
You took the altar and made it a table  
Nothing can separate what You bring together  
Now and forever, I will remember  
Now and forever, I will remember  
I will remember

Don't let me stay the same, only Your love can change me  
Don't let me stay the same, only Your love can change me  
Don't let me stay the same, only Your love can change me  
Don't let me stay the same, only Your love can change me

Jesus the Lamb of God, oh what a Savior  
You took the altar and made it a table  
Nothing can separate what You bring together  
Now and forever, I will remember  
Now and forever, I will remember

Taking time to remember  
Oh, how I met the Savior  
While I was broken and severed  
It will come back together  
As I remember You  
I will remember You
