

Aspen

Stefflon Don

Money mek mi spend, tell mi why yuh keep it
Mi have a missile, bwoy, come seek it
Back up pon di phone, yuh like fi talk freaky
Lookin' for the one that won't come in a deep end

I can be your angel, I can be your demon
Is you right along?
And all these actions wrong
No regrets, now your next is gone, actor

Mur mur mur I'm a Jasmine
If you wanna pull up, better pull up like a Aladdin
Real, real hot, ride the top like a jacket
Fuck you with your ice on, now we up in Aspen
No, not your average, yes, I'm a bad bitch
No, not a sad bitch, yes, I'm a savage
Real, real hot, ride the top like a jacket
Fuck you with your ice on, now we up in Aspen

Uh, who next?
Oh, who the best?
Oh-oh-oh
Oh-oh-oh
Uh, who next?
Oh, who the best?
Oh-oh-oh
Oh-oh-oh

It's a yellow sundress, Chanel inna di Rover
Work, work, work, dis ting coulda neva over
Put it pon mi dress and sign it with closure
Balcony fuck an' bend di ting over

I can be your angel, I can be your demon
Is you right along?
And all these actions wrong
No regrets, now your next is gone, actor

Mur mur mur I'm a Jasmine
If you wanna pull up, better pull up like a Aladdin
Real, real hot, ride the top like a jacket
Fuck you with your ice on, now we up in Aspen
No, not your average, yes, I'm a bad bitch
No, not a sad bitch, yes, I'm a savage
Real, real hot, ride the top like a jacket
Fuck you with your ice on, now we up in Aspen

Uh, who next?
Oh, who the best?
Oh-oh-oh
Oh-oh-oh
Uh, who next?
Oh, who the best?
Oh-oh-oh
Oh-oh-oh

This is one of my songs

My juicy girl
She makes me wanna rub upon this
My lady girl
She makes me wanna think about dates
My cherry girl
She makes me wanna think about fame
Baby girl
Steffy girl, sweetie girls takes me there
