She don't wanna build and link up
Nah, she's is not inna that mix up
Them artist could not draw this picture
Sex so good, I forgot to eat
Sex so good, I forgot to sleep
This is my princess, this ain't a bitch
Your ting needs to put on the leash
Don't put me in that competition
Man, like me, I'm in pole position
Walked in a dance like spot, the difference
Gold chain looking like a pot to piss in
We nearly went separate ways
But I made a grown decision
We let bygones be bygones
We do not go to vision
