"What chest did you develop in the 24 hours that you didn't have before? Cause you didn't say nothing with your chest when Steff was there"

Hair laid, face beat, cameras on me flashing  
I don't really know why you broke hoes gassing  
Stack my money tall so I'm fly like Aladdin  
Cause all I ever really wanna know is where the bag is  
All I wanna know is where the bag's at  
And if I take your shit, you know it ain't coming back

All these bitches wan fight cuh dey man want mi  
But fuck your nigga, I don't want him, he ain't in my league  
But if I put it on him, bet he wan marry me  
Double XL, made the cover of the freshmen  
Which gyal badder than the gyal in my section?  
Sip sip, put this nookie pon his lip  
Then I dip like these brothers do, I don't give a shit  
I'm jumping the fuck up off the right, come
