

# Gangsta

Stefflon Don

Oh, I see you, met you in the club last night  
When I see you, you was turning me on, on last night  
You was flossing all them niggas, too  
Doing things that all these niggas do  
Doing things that real niggas do  
I see your swag, I'm feeling how you move  
You got that gangster shit on lock  
That's why I fuck with you from the top  
I love the way you move  
He love the way I rock  
I'll let him watch, now my phone line blowing up  
I'm about to screenshot, everything you said  
Don't worry, I'll send it to my best friend  
I'm about to screenshot everything you said  
But babe, don't worry, it's going to my best friend

I really like you, I really fuck with you  
I love the way you, I love the way you move  
Keep it consistent, we just might fornicate  
I'm a good girl, plugging away, away at your phone

I'm fucking with a real gangster, nigga  
Plugging away, away at your phone  
I'm fucking with a real gangster, nigga  
Plugging away, away at your phone  
Where you bought them bottles?

You make that bottle rock  
You got them niggas  
You and your niggas' gangster
