

## Interlude

**Stefflon Don**

Let me tell you something  
I don't know why they people envy you so  
Because when I have something, this shit's mine  
I don't know why the other people want my fuckin' shit  
And I'm sayin', you want somethin'?  
You have to fuckin' work  
And I'm sayin', you want somethin'?  
You have to work to get that shit  
Because when I have something, that's mine  
That's not you  
Why you envy us like that?  
When I have some', when I want somethin'  
I work to get that shit  
You know what I'm sayin'?  
You know what I'm sayin'?  
You want somethin'? You have to fuckin' work  
You know what I'm sayin'?  
Don't be envy us so  
You know what I'm sayin'?  
Get the fuck out, nigga
