**Stefflon Don**

Prepare

Why?

Because The Don is coming

Ah, rubbish, that's all a myth

Another rapper talking about cars they don't own

Shut up, Charlie!

Show some respect, get down on one knee

She flew on a jet and came from overseas

Oh, she's a spy, she's burning my eyes

Look to the sky!

It's a bird, it's a plane, it's a Don!

The Don is coming

She's coming, she's coming, she's coming, she's coming

The Don is coming

Make way, here she comes, ring bells, start drumming

The Don is coming

Pele for the Gods, she don't worry 'bout nothin

The Don is coming

She's coming, she's coming, she's coming, she's coming

The Don, The Don, The Don, The Don

The Don, The Don, Don

I have arrived in gold laced to my shoes

Ghetto but elegant, sky ribbon poles

Making them come, follow my lead

Tell the whole world how you'd die for me

There's no girl in town admired as you

(Extra, extra, spread the news)

Everyone's inspired by you

Why play safe, I got nothing to lose

(Nothing to lose?)

Nah, just something to prove

What can I say, through my veins running truth

Never gave up, I kept fighting until they acknowledge

The Don is on her dawning
