Stefflon Don

Gya-gya-gyal, tear up
(Piki-poko)

Siddung pon di riddim like a mi a stallion
Tight pussy gyal, stretch it up like rubber band
Uptown gyal, an' mi nuh need fi rob a bank
Weh di money grip, gorilla glue inna mi hand
Even though mi have a million, mi need a billion
Flow like di AC, swing like a fan
Pussy diamond, mek him sing a hit song
Lick it till it dry, well, yuh know di program

Di money grip, di money grip
Di money grip, di money grip
Di money grip, di money grip
Di money grip (Piki-poko)

Leg up, leg up
Head back way, keep yuh breast up, breast up
Flip yuh backside, then bend up, bend up
Bubble pon di cocky like yuh fed up, fed up
Go school fi di ting like a step up, step up
Gunshot a fire, gyal, get out, get out
Deep wid di whip while yuh slip pon di dick
Buju Banton, don't stop it, stop it
Morning turn yuh on, I get savage
Better mek it, yuh savvy, yuh have a bad habit
Gyal a speed, a speed, this gyal a Polly Pocket
Scope pon di brrp, keep it pon eh chargie
Football inna bird and mi nah pass it
Di money love mi, look how she run up pon mi
Talk wid di dead everytime mi grab it
Di way mi run di money is a kamikaze
Bank account fat cah mi

Money grip, di money grip
Mi money grip, di money grip
Di money grip, di money grip
Di money grip, di pussy grip
